Follow the Water!

Tuesday, October 27, 2009

4:00 to 7:00 PM

Community College of RI – Warwick Campus, Rm. 4080

A presentation on streamflow and water availability
in Rhode Island

featuring

Alisa Richardson, PE

Principal Engineer, Office of Water Resources, Rhode Island DEM

and

Mark Smith, The Nature Conservancy, Director, Eastern Freshwater Program

Kenneth Burke, General Manager, RI Water Resources Board

Jon Reiner, Director of Planning, Town of North Kingstown

Meg Kerr, Watershed and Community Projects Coordinator, Narragansett Bay Estuary Program

The starting point for managing our state's shared water resources is a look at how much water we have and where it is. Get a glimpse of the big picture of regional water supplies, Learn about DEM's study of water availability in RI. Hear how the RI Water Resources Board and one local community are using this information.

The **Coalition for Water Security** is a partnership of many of the state's leading environmental and quality of life groups.

Aquidneck Land Trust • Audubon Society of Rhode Island • Clean Water Action • Conservation Law Foundation • Environment Council of Rhode Island • Environment Rhode Island • Grow Smart Rhode Island • Narragansett Bay Estuary Program • Narrow River Preservation Association • The Nature Conservancy • Rhode Island Land Trust Council • Rhode Island Natural History Survey • Sierra Club Rhode Island • Save The Bay • Trust for Public Land • Wood-Pawcatuck Watershed Association
